

Virtual Business Showcase

Let's get your business seen by our community!

How it works (Please read carefully)

- The **cost** for our Virtual Business Showcase is **\$50**.
- Fill out this submission form and email to Amy at **coordinator@louisvillechamber.com**. Once form is received, a payment link will be emailed to you.
- Take a video (**up to 2 minutes max**) of yourself explaining your business and what you do (don't forget, have fun with this! The more creative you are, the more attention your video will receive!)
- The chamber will post your video on our Facebook account throughout a month-long Virtual Business Showcase campaign. Your video will also be placed on our website for the year with a link to the Virtual Business Showcase page on our homepage as well as emailed out to our membership.

Suggestions on how to take your video

- Set phone up **landscape** (sideways).
- Press record and then get into position, it doesn't matter that it shows you walking back into place, you can always edit that out.
- Once finished with your up to 2 minute video talking about your business, **WAIT for 3 seconds** before moving to press stop.
- Make any necessary edits you see fit. ***The chamber will not be editing your video so please be sure to complete your video, edits, corrections and all before sending.***

How to upload your completed video

- Save your video with your Business Name
- Upload your video to the following dropbox link <https://www.dropbox.com/request/JmAZh82pWdbpz4IE2SG7> or email it Coordinator@louisvillechamber.com

Please fill out completely for information to be shown with your video:
